Coming up in **Social Studies**, the students will begin to learn about Ruby Bridges. She is famous for being the first African American child to attend an all-white elementary school in the south. All second grade classes will start watching the Ruby Bridges movie the week of January 27th, which is a depiction of what Ruby had to experience during the brink of desegregation. Permission slips will come home next week, and must be turned in by Monday, 01/27, otherwise your child will not be able to watch the movie.
