Classroom News

Miscellaneous Tidbits

You won't want to miss the PTO Meeting on March 2nd at 6:30 pm in the cafeteria. Please join us as guest speaker, Keith Brotheridge of The Baby Fold, presents on Adverse Childhood Experiences (ACEs) and toxic stress that have a direct impact on an individual's health and wellbeing. He will share with us what ACEs are, how these experiences impact our children, and how to develop resilience through our parenting/caregiving to overcome these barriers.

Check out our class webpage for newly uploaded photos of the goings-on in our classroom! Hover on the All things 2S tab, select our photo album, select the link to Shutterfly, and type in the password (second) to access our photos! ☺

Be on the lookout for information coming home soon about our classroom carnival basket!! We will soon pick a theme, and work to collect donations to put together an awesome raffle basket for our spring carnival coming up on April 17th!

Have an enchanted weekend!

Subject Matter

Reading:

This week we focused on making generalizations. Next week we will target plot and following directions with our story, Jalapeño Bagels. We will use the beginning, middle, and end of the story to retell important events, and work to follow step-by-step directions to complete a task.

Grammar:

We will continue working with different kinds of verbs, and using apostrophes in contractions.

Spelling:

Your student's spelling list came home today in their take home folder. We will take a pretest on Monday. Our test will be Thursday.

Please also keep practicing the sight word flashcards at home.

Math:

Next week we will wrap-up our unit with Place Value with 3-digit numbers. We will then move on the counting money.

Science:

We will continue to learn about landforms and bodies of water that shape our Earth.

S.S.:

We will wrap-up our unit on famous African Americans and their contributions to our country.
