Classroom News

Miscellaneous Tidbits

On Monday, 03/02, we will be honoring Dr. Seuss's birthday with a day of special activities. Students are invited to dress as their favorite Seuss character or dress wacky if they would like. This is not required. We look forward to celebrating this beloved author together!

You won't want to miss the PTO Meeting on March 2nd at 6:30 pm in the cafeteria. Please join us as guest speaker, Keith Brotheridge of The Baby Fold, presents on Adverse Childhood Experiences (ACEs) and toxic stress that have a direct impact on an individual's health and wellbeing.

Be on the lookout for information coming home soon about our classroom carnival basket!! We will soon pick a theme, and work to collect donations to put together an awesome raffle basket for our spring carnival coming up on April 17th!

Have a dazzling weekend!

Subject Matter

Reading:

This week we targeted asking questions before, during, and after reading to help better understand a story. We also worked on following directions to complete a task. Next week we will have fun with Seuss, and target making inferences and drawing conclusions with our story, Carousel.

Grammar:

We will work with past tense verbs.

Spelling:

Your student's spelling list came home today in their take home folder. We will take a pretest on Monday. Our test will be Thursday.

Please also keep practicing the sight word flashcards at home.

Math:

We started working to identify the coins and write their value in different ways. We are working to count collections of coins, and will begin dollars and cent amounts next week.

Science:

We are wrapping up our unit on landforms and bodies of water. Coming up next, we will explore matter, properties of matter, and phases of matter.

S.S.:

We will target building personal character with social/emotional learning.

Announcements

Mon., Mar. 2nd: PTO Meeting @ 6:30 (in cafeteria) Guest Speaker on ACE's
